

ID	Field	Indicator metadata
0	Fund relevance	ERDF
1	Indicator code	RCO08
2	Indicator name	Nominal value of research and innovation equipment
2b	Indicator code and short name (open data name)	RCO08 RTDI: Value of R+I equipment
3	Measurement unit	euro
4	Type of indicator	output
5	Baseline	0
6	Milestone 2024	>=0
7	Target 2029	>0
8	Policy objective	PO1 Smarter Europe
9	Specific objective	RSO1.1 Enhancing research and innovation
10	Definition and concepts	<p>The total (acquisition) value of the research and innovation equipment supported.</p> <p>R&D equipment includes all apparatus, tools and devices used directly to perform R&D activities.</p> <p>It does not include, for instance, chemical substances or other consumable materials used for carrying out experiments or other research activities.</p>
11	Data collection	Supported projects
12	Time measurement achieved	Provision or acquisition of the R&D equipment for the project supported.
13	Aggregation issues	No issues
14	Reporting	<p>Rule 1: Reporting by specific objective</p> <p>Forecast for selected projects and achieved values, both cumulative to date (CPR Annex VII, Table 3).</p>
